INSTRUMENTS
CONCERT CONTESTS 2026

Instruments 2026

WMC provides a **standard percussion set** free of charge for use during your contest participation. This applies for your participation during the contests only. All participants in the concert contests are obliged to use the percussion instruments provided on stage.

For all concert contest participants, exceptions apply to the following instruments:

- Bass drum
- Small percussion (snare drum, glockenspiel, and other small percussion)

These instruments must be brought by the participants themselves if they choose not to use the standard instruments provided by us.

For the Percussion Ensemble contests, all mallet instruments are also exempt from the percussion requirement. Participants are allowed to bring their own mallet instruments as well if they choose not to use the standard instruments provided by us.

Please indicate by way of **ticking the boxes in the My WMC Portal** which instruments you need to use. The deadline for submitting the list is February 1, 2026.

If a **Test Piece** is in need for a specific (percussion) instrument, WMC will provide this specific instrument in addition to the standard percussion set. If you need a (percussion) instrument during the **Own Choice Program** that is not included in our standard set, you must bring it yourself.

Other instruments than those mentioned below are not provided by WMC free of charge. However, if you wish WMC can help you to hire instruments that are not mentioned in this list. If you have the need to rent instruments other than those mentioned, you can fill in the type of instrument in the comments box. WMC will send your list to Adams Musical Instruments. These additional costs will be, at a reduced special rate, charged by Adams Musical Instruments.

It is possible to rent the following instruments: Grand piano, Concert harp, Double bass. Please see below for more information about renting these instruments.

Should your band or ensemble wish to make use of the following instruments provided by WMC free of charge, please tick the boxes. Mallets and suchlike are not included in the instruments below, you need to bring these yourself. Also, no small percussion instruments are included, these must be brought by yourself.
